George,.

Please find attached a proof of your ad that will appear in issue 5 for your review. If you would be so kind as to let us know if this is ok that would be great. This issue is going to be handed out from our booth at the NBAA regional forum in White Plains, NY and also at the China General Aviation Forum in Beijing China. Business Air is going to team up with a publication in China to place ads in their publication (China Civil Aviation Report) and be distributed throughout China.

For the forum, we will have this issue of Business Air handed out to all the attendees. This will be a great venue for them to view all of our advertisers and get another look at Business Air since we were just there to attend the SIBAS show in Shanghai. Great things are happening with Business Air and our customers!

Thanks again and we do appreciate your business and look forward to hearing from you very soon!

Best Regards,
Marty Anderson
