This is a broad spectrum of images to see what direction you want to go in...

I will send you images for the townhouse tomorrow.

Are you in town this week?

I have a number of images to show you if you are available.

Still waiting on Artefacto and I have applied as much pressure as I can for a delivery schedule from them. All they offer are excuses.

Rich and I have been tag teaming them to extract some dates for you.

I am waiting for Anthony to review the schedule before I send it to you so it's accurate as possible.
