Rich
attached estimate to repair 2002 S500 Mercedes
Repair consist of
new, battery, ESP unit(ABS) Shift Selector, Steering wheel adjuster
total cost \$4650.00, plus tax
Estimated value of vehicle is around 40K, see attached link
<http://www.2040-cars.com/Mercedes-Benz/S-Class/2002-mercedes-benz-s500-guard-armored--458849/>
how do you wish to proceed?
regards Brice

For the record

The Mercedes S500 will be towed to ABQ today

The brake module has failed

Therefore transmission can not be engaged

I contacted Mercedes of ABQ regarding fault, only fix is to have car towed to dealer in ABQ
