problem is the police report is an aggregate 80+ page doc that includes many allegations, best to have Darren (I am unfortunately in court hrs all day) extract the pgs where both [REDACTED] and [REDACTED] say [REDACTED] said she was 18 and was told by [REDACTED] - the person who brought her - 1X - to JEs house - that she was 18.

alternative, use pgs of depositions or sworn statements as to age unless media using or has used each person's name, i would use initials since at least [REDACTED] was probably still under 18 when the depo occurred and I don't want us bringing media to her door or violating any state law disclosure duty
