Alan just called

Wants you to agree to fund an escrow held by stone for \$1M

Alan agreed to waive any additional \$ (500) in expectation of receiving public statement from boies that after review of alan's travel records he has concluded VR was mistaken

Alan needs email from you agreeing to pay 1M that will go to BE and PC to end case on these terms in order to delay deposition

Alan says \$ will remain in trust until he is satisfied with boies statement
