Dear investors,

Here are our stats for the prior month:

- 3.8M consumer wallets
- 40k merchants
- 7k developer apps

Summary of the past month:

- Completed integration with one new bank
- Launched in Romania (now in 26 countries total)
- Launched [v2](#) of our API
- PHP and Python client libraries also released for v2 API
- Identity verification is now supported on our iOS app
- Simplified navigation in the left sidebar on web app (and separated merchant tools from consumer view)
- Completed migration of our infrastructure to v2 on AWS (improves security)
- Launched Market Orders on our Exchange, a new Referral Program, and an easier way to setup recurring Buys/Sells

Top hires outstanding are CCO, VP Eng, and Dir of Security (searches ongoing for each of those).

Thank you for your continued support!
