I think we need to go higher and up the road more on garbage berm?
Solar lights ?
Should have finalized invoice for frangipani and everything else from PR
this week
I tried to get signature trees, will also know availability this week
They have not been very responsive to Carlos
Concentrated on cleaning up and trimming back everything so you would not be bothered by weed eaters and
mowers
The landscapers will very disappointed to hear that you are not happy
We also need to discuss Peter Rich K and FTC
