Subject: This is so EASY!! Help us restock The Waterside Children's Studio school in Far Rockaway... The Amazon Initiative...

Date: Thu, 29 Nov 2012 19:59:22 +0000

Hello again!

We realize that the email we sent before Thanksgiving must have gotten lost in the shuffle so we are sending an abbreviated version again... Please feel free to send this to anyone on your distribution list too. It will take a village to get all the supplies needed to create a happy, stocked school again.

We have created a wish list on amazon.com to fast track the restocking of the Waterside Children's Studio School and would like to ask you to participate by logging in and ordering some of the items on the list. The beauty of this drive is that all the items ordered can be delivered directly to the school and can be in the children's hands in no time at all. Darrah Burns is the point person at the school and will be sorting and distributing all goods ordered so we have a real person on the ground communicating with the teachers and the principal of the school. Large or small every donation counts towards restocking the place the school these children escape to each day as their parents rebuild their homes.

The Waterside Children's Studio School houses children grades K-5. You will see that most of the items on the list are supply or snack oriented. We'd like to also ask that if anyone has a connection with a source to supply computers to the school and/ or printers to please contact us. We can add ink and printer paper as we move forward.

Thank you so much! I know it feels like a new email and a new request every day, but we are trying to give the help the community is asking for as they ask for it and there is so much still to be done. You will hear from us frequently and I appreciate any time or attention you can give.
