They all know that [REDACTED] will be contacting them; I have sent them her name.  
As to the funding question, they are definitely worth it, since they are one of the few remaining protected spaces for free expression. But for reasons of safety and protection against corruption the funding should go through Bard in the US, if possible. She should talk to the people to see what they need. It includes from our perspective, salary supports and scholarships and money for exchange students and travel abroad.  
Thanks  
Leon

I have the contacts from Leon at his college, but Not sure if he spoke to these people regarding my visit. Shall I contact them anyway?

How should i go about deciding if this place is worth funding , and what to fund if it is?
