Dear Cecile,

Attached is the Dental Healthcare Act Bill 30-0345. Hope this helps. I'd be glad to discuss further if you have questions.

The Bill will be heard in the Health Committee on May 9 in St. Croix. We hope to have it passed by the Committee and then the Senate soon after. Then we will be charged with finalizing the Rules & Regulations which will outline the specific clinical exams that we will accept.

Susan
