I will for the hug, the pat I wish I could...

If you are on what's app I think he is too. He might not have received your text message.

His assistant told me that his email has an issue right now and when he is busy he usually does a call forwarding. He might not have received your text (just called his cell and was transferred to his office).

Hello Jeffrey,

Apparently they won on the Senegal supreme court that the April 17th decision wasn't acceptable and they are now able/ going to present the case in front of the constitutional council.

He should be out in the next couple of months if nothing else comes out.

I am supposed to visit him next monday if my permit is ready by tomorrow.

I am going back to NY monday night for a month to organize my move back to Abj.

Were you able to use the documents I sent you regarding Karim? If I see him he is going to ask me.
