in the fir three pictures the background blue looks real. i wanted in the end to put some transparent light color on top of blue and letters to be in the same family with the entire room. are you thinking to a different blue?

.....
the forth and fifth picture i made the letters smaller. ("a"- four rows, "b" - five rows)

.....
the last picture: maybe you can print it and draw the letters and then send it back to me so i can see how would you like the letters..
