Jeffrey –

Hope you are well. I know that a few weeks ago Andrew forwarded to you our objection to CZM of Paul Hoffman's renewal application which, in our view, is sort of a land grab. I know there are other open issues relating to the partnership that Frank Garrison is discussing with Cecile, however, given the impact of what Hoffman is seeking, which could limit our abilities to have larger vessels parked adjacent to P-dock, I thought it appropriate to see if you would like to have a discussion regarding the objections prior to a hearing on Feb 27. Please let me know if you would like to have a brief call to discuss the attached or if you would like for us to discuss with someone from your staff.

Regards,

Tom
