Jeffrey,

I need some clarification on your comments about the southeast wall. Please see notes on attached images.

We need to discuss how best to deal with the landscaping. I think we need to set the walls and buildings, and then get the landscape architect on board. We will also put together the hardscape concepts at that time.

Thanks,
Warwick

thanks , as you can see this plan with the walls that you have proposed.. blocks all views from the pool to the sea . the southeast wall is the most important and the landscape is not dealt with.. in addition please provide a hardscape suggestion.. as the pool and shade structures are just about right.. I had hoped to see a main house plan and terraces roofs. etc, this thurs,, when will it happen,, can we have a call
