But the receipt notice is all you have. There is no other proof that the case is pending as far as I know. Soon hopefully you will have a renewed employment authorization.

You said driving, I assume you have a NY state driver license. Make sure it's up to date.

Hello Irene!

I still have some questions about my situation. Could you answer them in this message, so I could explain everything myself if I was asked

Thank you

I must have a confirmation that I'm in the system.

If I get stopped driving in certain states, they can ask for my papers, the receipt from 18 months ago will not be sufficient.

I must be able to conclusively demonstrate that i am waiting on line with a good applicaiotn.
