Good morning!

Ling time no talk to!

How are you?

What's new?

Do you lime the new iPad?

I have been doing well. Just trying to get back on my feet again. I have been interviewing with Morgan Stanley for a client service position and hope to hear soon about it. Fingers crossed:)

I did want to tale a quick second and tell you how much allowing me to use an apartment means to me. It has been such a tough year for me and being able to come back to NYC and have my own space has kept me sane in many ways. I don't know how to thank you.

Sincerely,

Story
