Woody agrees completely with you on this point. Where did you learn about karate and judo - at one of your dinners? It doesn't seem like your area of expertise. Woody knows all about karate and judo and also how to kill a man with an ice pick without leaving a mark by sticking it in the back of his neck.

I think IF woody is set on writing something he might want to mimic judo rather than karate. / judo pulls the opponent to you and then throws them off balance. karate tries to block the force with strength. ex he might say he UNDERSTANDS how people can be using his relationship with you, to choose sides in the dylan battle. . if he says he cant understand it. it will I fear cause more people to " try and make him understand " . he can call me to discuss if he likes.
