Why do C++ programmers dislike C?

Walt Karas, Software Developer, www-geocities-ws/wkaras/
145.5k views

The C pizza, as invented in southern Italy, looks like this: In the US, you can get a C++ pizza that looks like this: People who like C++ pizza think C pizza is better than ... [Read More »](#)

Were some military helmets better designed or more efficient than others during world wars one and two?

Franjo Lacković
120.3k views

Yes, absolutely. The best one was definitely the Stahlhelm.

... [Read More »](#)

How has tech-driven productivity improved the overall economy?

Marco Annunziata, Chief Economist, General Electric Co., formerly at IMF and private financial sector
149.6k views

Productivity has always been the engine of growth. Most importantly, productivity is the key driver of per-capita growth, which results in better living standards. Before t... [Read More »](#)

Who would win a fight between an unarmed mixed martial arts fighter and an adult chimp?

 Patrick O'Neill
149.9k views

 This sort of depends on what you mean by "winning." Hasn't the UFC fighter won, in a sense, if he gets away with both of his eyes and all of his fingers? Let's be gentleman... [Read More »](#)

Where is Rickon Stark?

 Kelsey L. Hayes, I am a grammar cowgirl
30.8k views

Rickon Stark is on the island of Skagos.

How can we deduce this?

... [Read More »](#)

How dangerous is an individual special forces soldier?

 Anthony Dimpu, Citizen
200.1k views

There was this Indonesian Navy SF deserter. He became a hired assassin. He was paid to kill a businessman. Which he did, along with the businessman's bodyguards, who were al... [Read More »](#)

Which countries' citizenships are the most valuable in Europe?

 Anton Shulke
231.2k views

 Most valuable from point of view the rarest, or the most difficult to get, the answer will definitely be citizenship of Vatican! Well, judge for yourself, there only 842 pe... [Read More »](#)

Which backend programming language should I learn in 2016?

 Brendan A R Sechter, Everything about me is complicated.
123k views

Elixir. Facebook bought WhatsApp for a ridiculous amount of money for a reason. WhatsApp was running Erlang on FreeBSD and managed two million concurrent connections at one ... [Read More »](#)

What's it like to be tased?

T. William Simon, Danger! Ill informed idiot with opinions and an internet connection.

84.8k views

Not fun, I'd recommend avoiding it if at all possible. 3-4 years ago, I bought my girlfriend at the time one of those flashlight/prong taser things. She worked late in a sk... [Read More »](#)

What are the the most interesting things lottery winners have done with their winnings?

Gil Yehuda, I often answer questions to stimulate thought, not to provide solutions.

192.8k views

I had a work colleague who won a state lottery. She and her husband took the annual payment of about \$30,000 per year for 30 years. If you think about it -- \$30K is not en... [Read More »](#)
