 June 2015

Partnering With Patients on Value, Coverage, and Reimbursement

On June 11, *FasterCures* hosted a workshop, "[Partnering With Patients on Value, Coverage, and Reimbursement](#)" at the Milken Institute School of Public Health at George Washington University. The workshop brought together patient groups, payers, providers, and drug and device developers to facilitate greater understanding of one another's needs and perspectives, and foster more effective partnerships.
