Jeffery;
I called Rich 3 x last week to discuss. Each time he was busy.
I will review with Brice today.
I have never had a complete scope of work or the complete back story.
I only sent you info to get clarification.
I will find Brice now to follow up.
Craig

craig,, did you look at bids? how were they priced,? did we recieve more than one bid, you should talk to wendy , and then me, forwarding me things that you have not thoroughly reviewed with rich and vette, per square foot cost.. phones were partial,, no connections to mains, no ranch central,, well had no eletric options to 3 phase,, for example,, I am not sure why this is so difficutl

Jeffery;

Just following up.

Is this project going forward. Need to deploy crew if it is getting built. This will not affect our other projects.

As stated earlier our major goal this week is finishing 5 Palms, Grotto and Berm.

Thanks;

Craig
