No its Brian Cury he owns Earthcam, a really successful company he built from scratch. Total bachelor. Provides webcam packages, cameras, software etc. to military, governments, business etc. He lives a great lifestyle NYC and all over the world. Has a corner on the swimsuit model types for 30 years. Great guy, great energy and fun.

We all staying at The Shore Club except for JB who has an condo in a high rise on Ocean. I'm assuming they all go to dinner at Prime 112 at 10ish then a club. they make this silly rule of the hockey groups of guys only at the dinners, no guests. Not my rules, but Jerry's been burned before so I get it. Some single guys, but it's mostly because of the married guys (especially him) trying to have lots of fun below the radar!

What would be great is if you made a reservation at the same restaurant, and then it can be an informal introduction, as opposed to me breaking the 'no guest' rule JB maintains. I want you to meet Jerry, my buddy Brian Cury, and Michael Rotenberg and I think that's the best way to hang out without pressure. I'm sure they'll admire you and your group.

I can meet you anytime between 5 and 10 also, so let me know where your going to be.
