oh not in a deviant weird way.
the only two things he seems to ask about and/or enjoy are:

Request #1

he loves having pictures of me. keeps them on his phone, screen saver etc.
he has asked me for the past two years or so to take some more
he's kept all the modeling stuff i've done over the years and likes it
i feel super ugly - so hard for me to get motivated but he is persistent
i think i asked you and boris about it last year just didn't follow up
i'm not a good model. sigh.

Request #2

he's very shy but he loves seeing celebrities in private settings
i don't have the star attraction power to host dinners etc
esp the people i don't have a way of reaching like his favorites (woody allen, george clooney, etc)
i can probably get some folks with an interest in development
he loves the quick interaction with "sparkle" (like dinner) but doesn't want follow up

i started to think about it when you asked "what is fun for HIM?"

2 things that he asks me for year on year and I never quite deliver.
