I had laura sit with her as she hires all support staff she told laura she is going to go back to school this summer to study art history

Has never worked in an office doesn't really think she wants to be sat at a desk all day blah blah blah

She needs to be a pa for someone that wants someone with them all the time make sense to you?

Laura didn't think this was for her even if we had something avail...

I told her to really try
