Subject: Projects We Love: Print It Out

Date: Thu, 06 Feb 2014 21:33:55 +0000

Show me all library projects on Earth sorted by magic. That's just one of the unique searches you can try in our [Advanced Discover](#) feature. Give it a whirl!

 **BLESS THIS NET: Letterpress Print for Your WiFi Credentials****BLESS THIS NET: Letterpress Print for Your WiFi Credentials**

By C. Ginger & Laura Mahan

Every time we go home to our parents' house we're hit with the same problem — what's the wi-fi password? Mom doesn't know, Dad thinks it might be melon89 but isn't sure, and neither of them ever thought about writing it down. The ladies behind [Bless This Net](#) know the feeling, and have crafted a beautiful card so next time you go home, you can surf the web right away.

 [Flag](#) - the app that prints and mails your photos for free.

Flag - the app that prints and mails your photos for free.

By Samuel Agboola

You take such beautiful photos! They probably live mostly on your phone now, but what if it were free to have them printed, so they could live in your house, IRL, in frames and photo albums? That's what [Flag](#) does — transforms pixels on your device into photos in your hands.

The Great Discontent Magazine, Issue 1

The Great Discontent Magazine, Issue 1

By Ryan & Tina Essmaker

It's a gamble to dedicate your full time to publishing. The creators of [The Great Discontent](#), an online interview-format magazine, know all about it — and they're still taking 15 of their hundred-plus interviews to print in a book. Their 240-page publication will feature selected interviews and photos on the subjects of risk, creativity, and beginnings.

Make a stuffed animal.
Or a film about taxidermists.
