Nancy Millet still refers to Timmy stories.

When she was a student she had asked Timmy how much he charged for driving lessons. He said \$8 for 45 minutes. Nancy said that was a lot and that her piano teacher only charged \$7 for an hour. Timmy said 'So drive your piano to school!'

No recollection of either of them having that. When Seymour was in Cleveland at the end he had some edema but that was from the operations and his not getting over them well. He died, but I doubt that is a connection to your current situation.
