[REDACTED] wasn't at the dinner - he came after 11 pm when everyone was leaving. A friend introduced us but was time for me to leave as everyone was getting very drunk.

Spoke to [REDACTED] - he had just found out that he was not going to the forum anymore :(

[REDACTED] was VERY mean - will tell you over the phone, almost yelled at me when he found out that I work for you. A Crazy man.

Made a few new friends - [REDACTED].
