spoke to [REDACTED] (just googled him now) - he said "oh, so great you don't drink. i also don't drink. Just once a week"

I said "right, tonight is the night as i can see.."

then his drunk friend showed up, almost falling on me. and then [REDACTED] came - but was the best time to leave. I said hello to [REDACTED] and then told [REDACTED] that I have to leave but he would have time to think to answer the question i asked him (your question about unintended consequences)
