I was studying for toefl as crazy. Even if I had my final examinations at school. I stated my priority was toefl so I went for it.

Singing classes were cheaper than massage classes, so I still had some money left for ticket and stuff.

Thanks, I'm happy for that place as well. I believe I will have a lot of work in the begging so I can afford to stay.

And to find a skill that brings me money is something that I'm looking for for a quite time.

You told me to stop with cookies, so I did. My skin was perfect but I didn't exercise for a week. So that's why it looked as it looked.

Sorry again for letting you down. That makes me feel down even more...

not once did i suggest eating cookies. not once, you didn't save money on the massage class, you spent the money you asked for something else on singing classes.. re toefl since the last time you have not studied much, if at all. why? I am happy you found a place, to stay. do. as you planned. find a skill that you can earn money. You are smart, it is your life.

I got rid of the bad guy! You told me to get someone, because ai cant wait to my 70. When he turned out bad, I got rid of him. I was sad for day or two and I was happy again. Yes, I messed the toefl but I can do it again. And way much better than last time. It's not just you who was dissapointed by my [REDACTED]. But me! You have no idea what kind of 'depression' I had from myself.

I was going to gym as crazy as you told me. I didn't use to eat cookies half an year ago. But started ever since you told me to get weight. I didn't like to get fatter, but I did it. Not to dissapoint you.

You told me to eat proteins, so I had salamon, yoghurts and lot of cottage cheese today.

I found new place where to stay as fast as possible to show you I'm not just sitting on my ass.

I want you to be proude of me, proud of yourself one day that you made me happy and successful in my life as you said it is you primar aim that makes you happy..

But I dont like those massages. I consider myself too smart to rub someones back for minimal money. So i got basic information about points and moves on how to do it. And i didnt need any certificate for it. I dont wanna do something that I dont like. As soon as I earn some money, I can give you that budget back.

So tell me, please, even if neither of us know. What should I do on my track now? I won't bullshit no more...

Honestly (i know i should not use this word but it fits in here), it helped me a lot that I saved some money from that massage certificate- so I could pay all necessary fees conected with my arrival in here..

You told me you wanted to learn, you have changed your mind, ok, singing is not going to help you, toefl test we talked about, you did not do well enough to get into a good school . You were on a great track , until you ignored my advice get involved with a bad boy, and since then , i hate to admit it but there has been little progress and in fact probably a couple of steps back . you lost your patience and tried to get rid of your waist quickly, you tell me about salads. , diet cokes and cookies. Im not sure how to best help. but letting you bullshit both yourself and me Im sure is not the right thing

you say you want to get on solid finacial footing and you want to go on a singing path? ????, you are too smart for this ..

I spend the money that left for my flight ticket to the States, as well as for **couple of singing Workshops that I found myself I'm crazy about**. And for additional Visa and insurance fees I had to pay. And than it was suddenly zero. what additional visa fees? ,

I didnt wanna make you dissapointed. Thats the last thing I wanted to do. So I did **what you told me to: find and do what you like**.

First of all now I need to secure myself financialy at the beggining, than I willl be able to progress myself.

I wish to get on the singing path, however, I've got no idea how to do it by now.

Jeffrey, when I was complaining about the cancellation of the massage classes you told me to go to meet some masseur and ask him to tell me how to do it. So i did. And i think you saw the proval.

I went for everycooking classes as i promised and I was practising home as well.

I am disappointed. I will of course still help you, but as you know, I greatly dislike bullshit . -- " I didnt go to massage class , but i got a massage instead, and observed," is just plain wrong. you asked for money to learn, you told me the first time that the woman canceled and ...

Jeffrey, I found the appartement and I just love it! I was so lucky!

It's unbelievably beutiful. It is only 1,500 + 50\$/100\$ for utilities plus one month deposit. Lady I'll be sharing with is very nice and easy going. She told me I can pay on the day when I move in.

I'm so happy :-)

Thank you, that you offered me your help. I wish to move in ASAP.
You have probably no idea what a huge stone has just fallen down from my heart :) and everything just because of you! You made it possible for me :) THANKS
