I have spoken to my lawyers in UK and am planning to write to the Mail a warning followed up with a plan to sue pending your responses to the bellow questions. I feel that this way it will/might stop repetition of article as it did last time.. ..please call me so we can discuss.

1. If there is no new case, or no new cases, or a case filed, then the article constitutes harassment. I have pulled bellow the relevant bits of the article along with questions for you to ans so I can write a legal letter to the paper
 2. If [REDACTED]
 3. Clearly there is collusion between [REDACTED], the [REDACTED] and the paper and she and maybe the lawyers are being paid by the paper..do you have any information on this ?
 4. I am looking at the Mail for harassment also in my Wiki page – the Mail is paying someone to re write my page and this constitutes harassment – is someone called philip cross mucking about in your wiki page too? Let me know
 5. Can you send me the file on [REDACTED] that your lawyers have or what ever info you have on her
- [REDACTED]

[REDACTED]

[REDACTED] - either way she lied somewhere. What is her stated birthday on her passport? + want anything on [REDACTED] that was found to be relevant. How did she get into [REDACTED] and what lies did she use on that doc. Is she an [REDACTED] now?

6. I am not going to pick apart each of the many lies but go for the gross and the easily proven ones..ie court case or not, settlement or not etc
7. The lawyer says that unless I nip this in the bud it will continue and possible become more salacious and disgusting and defamatory..more full of lies and innuendo. If I can have ans to the bellow and they are what I expect them to be it will/might shut the mail down he thinks - i.e. If there are no new filings or court case, [REDACTED] [REDACTED] - a harassment order will be issued

Is this true? Did [REDACTED] f [REDACTED]

[REDACTED]
What if anything does it refer to? Or can you give or have you lawyers give an ans to bellow that shows the mail misrepresented implying that there is a new case.

[REDACTED] [REDACTED] [REDACTED] walked into the vast art-deco county courthouse in [REDACTED], and handed a 23-page legal document to its clerk.

Rubber-stamped Exhibit D, and intended to be used as evidence in a forthcoming trial"

Is there any truth to any continuing outstanding or not settled cases?

Per Bellow indicated that [REDACTED] [REDACTED] [REDACTED]

"But Epstein's legal travails are not over. In recent years, more than 40 women have filed lawsuits claiming that Epstein sexually abused them.

Most of their claims have been settled out of court, preventing their accounts of his alleged crimes from being made public — but [REDACTED] [REDACTED]
[REDACTED]"

"The million-dollar question now is whether [REDACTED] [REDACTED]
[REDACTED] The answer, at present, is anyone's guess. "

"Exhibit D, originally created in [REDACTED], was filed as part of a long-running civil dispute between Epstein and solicitor [REDACTED] client, [REDACTED]."

"[REDACTED] said this week that, if the case and another related matter go to court, [REDACTED] i [REDACTED]."

Are there any new cases of any nature pending or in the works?
