Snapshots from GC

Coming together, finding solutions

[Prevention and Wellness: The Keys to a Healthier, More Prosperous Society](#)

Global Conference 2014 ended last week, earning rave reviews. Over four days, "GC" unfolded with 160 panels, 660 speakers and more than 3,500 attendees who challenged one another to spark change and find solutions to some of the world's most urgent challenges. Here, Troyen Brennan of CVS Caremark, Institute Chairman Mike Milken, Tom Frieden of the Centers for Disease Control and Lynn Goldman of

George Washington University share a light moment on the panel "[Prevention and Wellness: The Keys to a Healthier, More Prosperous Society](#)." Find videos of all the panels at globalconference.org.

A nonprofit, nonpartisan economic think tank, the Milken Institute believes in the power of finance to shape the future. The Milken Institute produces rigorous, independent economic research — and maximizes its impact by convening global leaders from the worlds of business, finance, policy, academia, and philanthropy. By fostering collaboration between the public and private sectors, we transform great ideas into action.
