Dear Jeffrey,

Hope you are well and safe my superstar. Attached is the video from an intelligent young man, Vladimir Geshkenbein, jewish Russian who grew up in Switzerland. He applied mathematical concepts in poker game and rised to the world champion level. Now he does not compete in poker anymore but wishes to put his mind and logic in one of your projects where quick thinking, reasoning, logic are necessary.

articles about his poker career:

Vladimir keeps on impressing me. He is very quick and smart, hope you like his presentation he made especially for you.

Bisous
