Hi

[REDACTED] just spoke to Duane

Confirming :

Once the company she was working for found out she had breast cancer, terminated her, there was an issue with Medical Insurance, so Vivian sued the company. The judge on the case ruled in her favor, Wrongful Termination receiving \$5,000 as settlement, they then went on to Cobra Coverage

An intruder was coming on to their property (very rural NM) she confronted him with a gun, the intruder took off and she called the Police

She admitted to the Office that she had a drink and under NM law it is an offense to banish a weapon if alcohol is involved

She was charged with aggravated assault (confronting him with gun) intoxication, these charges were dismissed

He was a bit taken aback, considering all charges were dismissed, surprised it was on her record

They did not even consider this an issue

Will talk tomorrow

Regards
