Greetings Darren, JB and Rich,

FYI -

RO Sale - \$35,000 wired into LSJ Employees, LLC 3/15/2013.

Mr. Odem, representing Mr. Leroy Vanterpool in this transaction is currently traveling. He should be back on Anguilla in the next 10 days or so. He asked for me to call him back. I confirmed that I will call him the week of April 8th.

Two concrete trucks/batch plant with silo and accessories - \$29,960 total wired into LSJ, LLC 1/23/2013.

Mr. Reggie Williams, Managing Director for Concrete Masters, said that Mr. Clayton Xavier (on STT) is currently making shipping arrangements for the equipment. I spoke with Mr. Xavier (cell number 340-642-8461), just to let him know that Brice has relocated to work on a new project, we are taking over the completion of the sale and are just touching base. He thanked me for the update and will be in contact once the shipping is arranged, hopefully in the next two to four weeks.

Lady G and gensets - Mr. Hodge scheduled to come to FTC on Monday at 11 am.

Kind regards and safe flight Darren, DW
