[REDACTED] is crazy and intense, it is all I am doing because they are so strict and will fail me if I miss a class. If they fail me in one class I don't have enough credits to continue therefor implicated visa. So until there is further solution I have to continue. Right now all I do is work for them, no gym, no yoga and not much sleep.

End of Next week isspring break.

Then Easter to May 18th jail again.

May 18th 3 and a half month break for summer. So plan for now is to make it to May 18th and then I have 3 months here to try figure something else out.

BP was here and it was great and it's getting more and more. He tells me now that he loves me :)))
