Subject: Car for tomorrow? Soon Yi driver.

Date: Tue, 29 Jul 2014 22:19:05 +0000

I want to make sure you are ok with using Soon Yi's driver to get you from the house to the set. I have found a car company you can use later in the day and given the info to the girls. The car company needs 3 hour notice. Please advise if ok.
