Hope all well

Wanted to provide the numbers for Angiocrine

In summary, we are heading out by summers end for a series B raise at a 50 million pre money valuation.

We are offering a 25% discount to the series b , and looking to bolster our financials for the raise with an additional 5 million in capital.

Overall, I think a very good deal . Paul Finnegan , our CEO, and I are available next week in NY if you wish to discuss live

If you have interest let me know

Best regards
