Here's what the CPA says when I asked if the auditor was still there or had any questions:

Not yet. she just walked out the door, but will be coming back. she'll call to set a date.

She will issue an IDR ( Information Document Request) which will tell us what else she needs. But the personal accounts will definitely be on the list.

I'm not with the auditor, the CPA is.

I'll touch base with him and see how it's going, but since I haven't heard anything yet, that's probably good news.

I'll let you know when I hear something.
