Hi Jeffrey,

Back in Hong Kong. I have a project I'd like to run by you. Can we Skype soon?

Interesting results from the YHW Festival (doing another one in Europe in April and Asia in July) and European tour afterward (DLD / Davos). The Cuba conference is confirmed for Nov 6-8 (see attached - I haven't edited it yet, but plan to). Will be in Shanghai on Monday meeting with the Science of Consciousness crew and a Buddhist nun who is organizing a conference on Buddhism and Technology right after our event in June.
