Dear Jeffrey

Attached is a four bedroom villa for my world island resort

As you see all the 4bedrooms have out door showers in addition to the indoor one

Also there are two kitchens one small preparation kitchen inside the villa

There is a covered terrace above the villa

Under the stairwell is a maid room, a kitchen a store and a laundry room

Dear Y.E Sultan;

Kindly

find attached the revised layout of the 4 bedrooms villa for the world islands .

I hope I have satisfied all your vision ; and please feel free to add any comment to incorporate it and achieve a wonderful development which will revolutionize the standard of living concept in Dubai from commercial and residential regional center to real International leisure paradise.

Have a pleasant week end
