I was wondering if you might be able to provide me with the name of a good financial advisor. Obviously, I'm speaking of someone who advises people like me not someone like you, who advises people like Bill Gates. I'm about to buy a build a home in Florida but want to also make sure I will have enough discretionary income to invest for my retirement, my son's schooling etc.

You live a tough life. How do you handle it? I'm in NY next week and will probably be back a couple of more times. I'll also be spending some time in Beaver Creek in July.
