Hi [REDACTED],

So I graduated last month and start grad school part time in September (you knew that I think). I've recently geared up my job search in the non-profit sector and I came across an article about Jeffery's foundation...I know it's based in the Virgin Islands but I was wondering if he did any work here in NY and looking for anyone to help out. I do more development and program assistance rather than foundation work but any entry level in non-profit work would be great...even part-time! I would really love to expand my work experience as I've been at the [REDACTED] for three years. Anyway, It was just a thought...let me know what you think!

Thanks!
