We would like to thank our wonderful partners, speakers, volunteers and the audience for an amazing Ci2016! We look forward to seeing you at Ci2017.

Hi Jee,

We are delighted to share some of the amazing videos from **Ci2016 *The Exponential Shift: making transformation happen***. All the talks, keynotes, debates and deep conversation will be shared progressively over the next few months. This month features the Ci2016 Highlights video and Dr Abigail Allwood (USA) keynote. In case you've missed it we encourage you to watch and share the [Ci2016 future predictions video to 2025!](#)

Creative Innovation 2017 Asia Pacific Dates & Theme Revealed

Ci2017 will be taking place on 13-15th November 2017 in Melbourne, Australia. The theme for the upcoming event will be "**Human Intelligence+ - Thriving in the Age of Acceleration**". More information, line-up & booking details will be revealed over the coming days. To get a taster of what to expect at Ci2017 we encourage you to watch the Ci2016 video highlights.

Dr Abigail Allwood (USA) - The First Female Martian

Australian NASA scientist Dr Abigail Allwood is now one of 7 principal science investigators in NASA's next mission to the red planet ... the 2020 Mars mission. Abbigail is the first woman and first Australian to be given the prestigious role. In this talk Abigail outlines her experience at NASA while working on the Mars Rover mission. An incredible story of exploration, innovation, courage and persistence.

Special offer from our friends at Zeetings

For those of you which attended Ci2016, you would have seen Zeetings in action. Zeetings, an Australian innovation, drives interactive participation from attendees in presentations, meetings, classrooms and events. Zeetings is all about unlocking the collective wisdom of the crowd - getting everyone to share their ideas, questions and opinions direct from their mobile devices.

We are pleased to share the exciting news that as a member of the Ci community, you will be able to get 20% off on the cost of using any premium Zeetings plan. Simply sign up at zeetings.com and upgrade using the code "ci2016". For more information and/or a live demo, email: chelsea@zeetings.com

Do you need to reform, transform, innovate & collaborate?

[Creative Universe](#) makes the extraordinary possible by helping to create **sustainable, aligned and high performance organisations. Our goal is to help develop creative leaders and build a culture of innovation.**

We build capabilities in **creative thinking and leadership**, develop a culture of **innovation and entrepreneurship**, assist in understanding and managing **disruption**, foster **diversity and community** and **unleash potential** of individuals and teams.

We offer you a range of **innovative leadership programs, speakers, performers, conferences and special events** to inspire your most important asset: your people. Through engaging with our transformational programs you will **realise the performance and creative potential of your people** and organisation.

Clients include AGL, AON, David Jones, Department of Defence, McKinsey & Co, Mondelez, Veolia, NAB, BHP and Spotlight, universities, schools and government organisations.

Please [contact us](#) to book keynote speakers & innovation workshops for your upcoming conferences, functions and leadership events.

"The workshop was truly a binding experience, inspirational to a group in need of self-belief and confidence. In an engaging and memorable way, we were able to perform as a unit like never before. Something to refer to for a long time!" **Mondelez**

Are you looking for a desk or office space?

Creative Universe and Dimension Data are proud to bring you Dimension⁵ a new, creative co-working space that promotes 'positive human collisions', sparks innovation and entrepreneurship across technology, start-ups, business and social enterprises. This space will maximize and accelerate the opportunities available through the exponential growth of new technologies across sectors for individuals and smaller teams or organisations.
