# Projects We Love

A school bus repurposed for clothing designers. An album of mesmerizing dream-pop. An edible history of chocolate. 100 days ago, Kickstarter officially opened to creators in Mexico — see what they've been working on **here**.

In that same spirit, here are four projects that bring communities together through creativity.

By Hattie Worboys

**Liberty Express:** Through dance and film, this international initiative aims to connect children across languages, cultures, and geographies.
