Hi Rich . She can probably do a 5 -530 ish today. She is running off to a doctors appt. So if it was today It would be best to do it at that time, and she can Skype from my computer. Her appointment is on 77th and 5th Ave , The doctor tends to run late from what I'm told , but I would guess a 530 ish should be safe. If not tomorrow at 11 could work, as she has a flight tomorrow afternoon. She is also free on the weekend if need be.

If you happen to hear if any of Jeffrey's business colleagues needs to hire a Chief of Staff, I saw an excellent one today, assuming they would go through a recruiting firm, Really excellent, went to Columbia,with solid experience. She is the type that could support the Head of Apollo (example)Say hello to Leslie and Jeffrey for me , I hope your doing well.
