Jeffrey,

Attached is the list of equipment available for sale as of to date. I attached additional pictures as well as highlighted (in pink) the pieces that will be replaced.

Jeanne

List with additional picture of for sale items.

Points/Questions:

Storage of bikes for sale off island - AYH a possibility. Your thoughts.

Storage of heavy equipment for sale (not to be replaced)- off Island for easier access to show. Any ideas on where? Security a concern.

Possibility of doing a 'yard sale' similar to what was done on St. John.
