Thank you very much [REDACTED].

I have recalled the french express postal service to ask the telephone number and the name of their partner in NY.

Can you give me your cell please, they will transfer it together with your e-mail to their partner, in order to clear it up?

Because they dont want inderect contacts, everything should pass by them etc etc etc.

Sorry for bothering you with this mess and thank you again!

Hey [REDACTED]!

Hope you have started 2013 in a great mood!!

Absolutely, I have sent a christmas gift for Jeffrey to the address that is mentioned in the mail below, on the 21st of December and it is in NY since one month.
I have given [REDACTED] cell number to the postal service, together with this adress.

During this month, I have been following the delivery status on the internet and saw that a few attemps of delivery were made and every time they marked: 'client absent'.

I have called the postal service lots of times, for them to reiterate the delivery.

And today I finally saw in the status:
'Delivered on the 25th of january at 09:38 am, received and signed by T.Roman'.

So is this the correct address and do you know this person?..

Thank you so much for your help!
I feel very sad because this gift was going directly from my heart.
