Jeffrey,

My next 3 visits to NYC are listed below. Meghan will help with scheduling.
She'll separately help set up calls with James Clement (of Androcyte LLC) and Luhan Yang (of Editas).

Oct 22, 2014 [NYSCF Annual Translational Research Conference](#), The Rockefeller University, Panel: "Large Scale, Big Data: Stem Cell Innovation", 1230 York Ave, NYC. I'll be speaking 10:40 AM - 12:10 PM

Nov 4, 2014 Kavli Futures Symposium: The Novel Neurotechnology, Closing Keynote, Columbia University 550 West 120th St, , 5th Fl NW Corner Auditorium, Room 501, NYC. I'll be speaking 11:40 AM-12:20pm.

Nov 24, 2014 [92nd Street Y's "Homo Sapiens 2.0"](#), Lexington avenue at 92nd Street, Buittenwieser Hall, NYC. I'll be speaking 8:15 pm.
