Still waiting on invoice from Amy but wanted to verify the following:

- A) is price of 15,000 for 4 sets ok?
- B) do you need to see fabric swatch, colors or anything else
- C) if order ok would you prefer amy to lay out money or shall I pay

Please advise.

Great, let me work on that. I think that's the right course of action.

My best,

Based on timing we probably should ship directly to usvi. In addition there will be no sales tax if sent to usvi. Thoughts?

If you wanted further tax savings, we could ship the sheets to the island directly and Anna could install. It's up to you. Overall cost for the sheets is about \$15K (for 4 sets, so he may want to reduce to only 3 sets, since this is just a trail.)
