Subject: Projects We Love: Do It Yourself

Date: Thu, 31 Jul 2014 20:28:19 +0000

The Edinburgh Fringe Festival (aka the biggest arts fest in the world!) starts this week. We [talked with a few creators](#) about how they prepared to bring their shows to Scotland.

VIDDY: The 30 minute DIY pinhole camera kit

VIDDY: The 30 minute DIY pinhole camera kit

By Kelly Angood

The [Viddy](#) is a pinhole camera kit you make by hand. Instructions are included, as is an app to help you find the best exposure. Once it's assembled, you'll be taking 35mm photos wherever you want.

 School of Doodle

School of Doodle

By School of Doodle

[School of Doodle](#) is a self-directed learning lab for teen girls. It's basically an arts high school for the imagination, with lessons on how to do anything and everything, all while connecting with other girls. A lot of amazing women are involved, including Alice Waters, Arianna Huffington, and Yoko Ono.

31 Days of Urban Agriculture

31 Days of Urban Agriculture

By Lindsay Curren

From goat lawnmowers to rooftop bees, urban agriculture can happen in a lot different ways. With this multifaceted art project, Lindsay Curren wants to highlight how we can get our hands dirty and grow food even in the concrete jungle.

Hundreds of films and counting

Kickstarter-funded features, shorts, docs and more — now on iTunes.
