Steve I just wanted to let you know we are starting to get a lot of phone calls about the situation.

There is a financial conference going on in Vegas with a lot of hospitality exec attendees-ie Michael Jacobs, Steve Weissman (all calling us and hearing same story). I received a call from Jeff Bank who said the word spreading very quickly on the street is that you were forcibly removed from the office by Barry's security guards, Barry wants the company and you gone for good, and that Barry found something on you as you did something wrong.

It is trickling into other industries as well-Kristin Addis's boss the CEO of Flywheel is attending and has heard the same rumors.

Not good.
